## COMPANY BACKGROUND

The UNIVEN Continuing Education (UCE) is responsible for the administration, coordination, and quality management of short learning programs/courses across a diverse spectrum of disciplines. Its multi-disciplinary outreach arm offers credit and non-credit programs/courses within the framework of life-long learning through part-time classes and other extension activities. Most of the short courses have a work-integrated learning component. UCE has been offering training programme since 2010.

The company has attracted significant with the SETA's, municipalities, government, and other stakeholders. It is a reliable service provider and a trusted brand linked to the University of Venda. Our geographical footprint covers Limpopo, Mpumalanga, Gauteng, Northwest and Kwa- Zulu Natal provinces.
